Here's the plan for what will happen from 2:00pm until the Winner's Circle has been completed (approximately 4:30pm):

1. CCC provides 5 labelled bags (one per riser row) and has one person per row responsible for taking the bag on the bus – these people get on the first bus.

2. Chorus members put their t-shirts and shoes into a labelled bag and take these with them on the bus.

3. Chorus members put their lipstick, phone, hotel door card, cash/cards into a separate labelled bag and take these with them on the bus.

4. Bus drops chorus members at the lower level of the Victory Centre – members take the lift to the top level or walk up the drive.

5. Chorus is escorted into the first traffic pattern room – singing room.

6. Chorus bags are placed at the door and members put their t-shirt and shoe bags into their relevant riser row bag.

7. Traffic pattern person takes bags to the yellow and red rooms. Bags 3, 4 and 5 in the yellow room; bags 1 & 2 in the red room.

8. Chorus moves to second traffic pattern room – no singing.

   All t shirts and shoes have gone to the yellow and red rooms.

9. Chorus members drop their small bags (phones etc) into the convention traffic pattern bags – rows 1 & 2 into bag 1 and rows 3, 4 & 5 in bag 2.

10. Chorus goes on stage and small bags taken to the collection point by the stage exit by traffic pattern team.

11. Chorus exits the stage, collects small bags and return to auditorium to see the STAR chorus perform. Virg and Andrea sit at front of auditorium stage left with other directors and team coordinators.

12. If selected in top 3 overall, follow the instructions of the emcee regarding where to go for the awards and winners circle.

13. If first place, go on stage to receive awards. Andrea to collect medals and ribbons to hand out later. If second place, we will stay seated to sing "The Winner's Song".

14. Vickie Maybury directs The Winner's Song, then the chorus exits stage right and goes to the red & yellow rooms to get ready to go back on stage to perform. We will do a quick change at this point while 3rd place chorus sings. Leave on velvet black pants, and silver earrings, change into black t-shirt and red shoes. Put costume top and black shoes back into bag.

15. Chorus goes onto the stage from the right (to avoid the stairs for Janette) – we're not being judged so just get on stage as efficiently as possible. We can return and pick up the brown bags. Buses are available to take you back to the hotel for a quick change before you head to the Hilton Hotel.
