TO WHOM IT MAY CONCERN

Each year in New Zealand a Regional competition is held where our choruses and top quartets compete against each other. The new champions are then eligible to represent New Zealand in the international arena. The 2019 International Convention, scheduled to be held in New Orleans, USA, on 16-21 September 2019, will be attended by more than 9,000 of the world's top harmony singers and this is a wonderful opportunity to showcase New Zealand's musical skills.

The New Orleans Sweet Adelines International Convention includes education as well as contest performances. It is a world class event with competitors coming from many countries.

The Regional Executive Committee of Sweet Adelines in New Zealand congratulates Christchurch City Chorus for winning the Regional NZ contest in 2018, making them New Zealand's Champion Chorus. This entitles them to compete in the 2019 International Convention. We are very proud to have this high achieving Chorus representing our country in this prestigious contest.

We wish Christchurch City Chorus well for their upcoming plans for New Orleans.

In harmony
