To all Members

Season's greetings to Region 35 members!

I know you are all busy with Christmas singouts and events and hope you are enjoying this very special time of year for our choruses and quartets, when we can bring joy to our communities through our performances of Christmas songs old and new.

I'm pleased to announce that further information is now available on the national Sweet Adeline's website for A CAPPELLINGTON 2018. https://sweetadelines.co.nz/2018Convention

Pages have been loaded in sections for your convenience and updates will be made as required.

The contest season begins in February for most of us with coaches arriving and retreats to be held, choreography and showmanship to be drilled, new notes to be learned, costumes to be taken in (or let out) and on it goes, let alone family and work commitments to be juggled. Multi-taskers of the highest order! My advice therefore, is to take every opportunity after December 25 and rest up, have that extra half hour reading a book, take the dog for a longer walk, sit down with a cup of tea or iced drink and watch a sunset or two, because before you know it we'll be seeing each other across the room at convention! I for one can't wait.

Wishing you all a very happy and safe festive season!

Leigh Whitelaw
